

Product Status	Production
Application	3-phase AC industrial applications Power Factor Correction
Product	DeltaCap 3-phase
Type	MKD525-D-30.0
Brand	TDK
Environmental Compliance	 

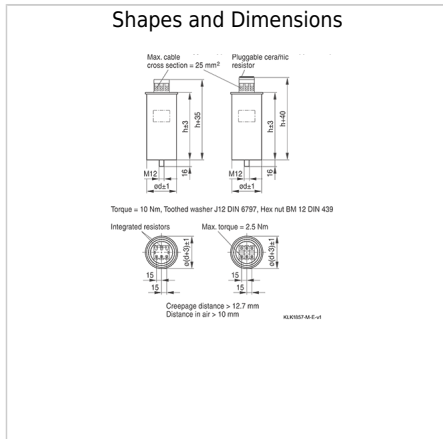

Size	
Diameter	96mm
Height	350mm
Detail Size Information	Please refer to the data sheet

Electrical Characteristics	
Output [50Hz]	30kvar
Output [60Hz]	36kvar
Capacitance	115μF
Rated Voltage	525VAC
Further Details	Please refer to the data sheet

Other	
Impregnation	Semi-dry biodegradable resin
Winding	Stacked
Features	3-terminal design integrated resistor
Further Details	Please refer to the data sheet
